Party Program

Not Your Ordinary Party

Treat your child to a fun-filled farm party at **Allaire Community Farm!** We have a unique venue for birthdays all year round. Your child and guests will visit our Petting Zoo, feed the animals, gather eggs in our hen house, milk our mechanical cow and take a scenic wagon ride around our 25 acres.

HANDS ON TEAM:

Each party will have a host and assistants with your guests. Parties last for two hours and take place in our pavilion. We welcome you to bring food (no sternos), cake or snacks for your guests. We ask guests to wear closed-toe shoes and make sure to be on time so that they wont miss out on any activities which begin promptly ten minutes after your party's start time.
