Farm Class Trip

We are pleased to introduce **Allaire Community Farm!** to those in our neighboring schools and organizations. When we established the farm in 2013, it was our vision to create a welcoming environment where only members of the community could gather and enjoy our 25 acre farm.

A school trip to our farm is a great experience for all ages. A New Jersey certified teacher will guide, introduce and educate your group about the animals and plants at the farm.

Our class trips reinforce New Jersey education standards while making learning about farming fun. Our tours are able to work with existing curriculum to bring classroom lessons to life year round.

PETTING ZOO:

Pet, groom and feed our friendly animals. Our animals include a mini donkey, sheep, Norwegian dwarf goats, alpaca, "Lola Grace" our cow, chickens, rabbits, ducks and of course "Lily" our pig. All of these lovable animals have been rescued from neglectful farms.

VISIT TO HEN HOUSE:

Come on over to the hen houses and gather fresh eggs from our hard working chickens. and learn about the life cycle of a chicken.

HAY RIDE & FARM TOUR:

Sit back and relax in our custom built wagon and take a scenic ride around the farm.

Prices: \$7.00 per child - \$5.00 per chaperone

Add ons include: Pony Rides, a Planting. picnic, or pumpkins for an additional cost.

Contract is on our website.
